**THEME: BLESSED ARE WE TO SHARE IN THE DIVINE LIFE OF THE MOST HOLY TRINITY.**

On this solemnity of the Most Holy Trinity, we affirm our faith that God exists as a Trinity-Father, Son and Holy Spirit-united together in love. Through Baptism and faith in Jesus, we have been given a share in the divine life of the Trinity. This being the case, let us seek to live in ever greater unity with God and with one another.

**LITURGY OF THE WORD**

In the first reading, Moses tells the Israelites how special it was that God chose them to be His people. In the second reading, Paul teaches that those who are led by the Spirit are children of God and heirs to eternal life with Christ, if they are willing to suffer with Him. In the Gospel, Jesus commissions the disciples to go forth and make disciples of all nations.

**FAMILY PERSPECTIVE**

In today's Gospel, Jesus commands, "Teach them to carry out everything I have commanded you." This command is meant for every Christian. In light of this command, parenting is not only the most difficult task a person can take on, it is also one of the most apostolic and missionary tasks. Jesus commands all parents to teach their children "all that I have commanded you."

**STEWARDSHIP THOUGHT**

The gift of a Triune God, Father, Son and Spirit, is that even our God is one of relationship. Never contradicting the other persons of the trinity, they work in unison to bring about peace and love. Through the Trinity, we are called to become one as well. We are called to work together, united in the cause of promoting God's love throughout the world. May the power of the Trinity challenge us in this work.
